TRANSLATIONS, EDITING, PROOFREADING

An Italian consultancy founded by Roberto Alfarano in 2006 assisting distributors and manufacturers in developing low-cost operations in Italy. *The best outsourcing solution for entering export markets*

We are native Italian professionals, bilingual - Italian/English, specialised in international trading and business communication.

With over a decade experience and dozens of successful partnerships to date, we do away with expensive agency commissions and drastically reduce the fixed costs associated with an in-house staff. Beginning at only €200/month we provide all the advantages of a native professional at a fraction of its cost. Feel free to contact us with any question.
